School Profile 2024 - 25

The **Dominican International School** is a private, English-medium, Roman Catholic school in Taipei City, Taiwan, established in 1957. The Religious Missionaries of St. Dominic own and manage DIS. The school provides education for foreign students, regardless of race, color and creed, from Pre-Kindergarten to Grade 12, including Advanced Placement. DIS follows a modified American curriculum which includes Religious Studies, to prepare students for higher education abroad (mostly North American universities). The majority of the students is Asian and speaks English as a second language. The school is coeducational. Teachers provide focused attention to students in a student-centered environment. DIS employs teachers from many different regions in Asia, North/South America, Europe, and Africa.

The Curriculum

The **Dominican International School** curriculum is academically challenging. A minimum of thirty-two-point-five (32.5) course credits are required for high school graduation from DIS. Of these credits, 22 are from major subjects required of each student. In addition, students must complete a minimum of 10.5 credits chosen from the minor subject offerings. The minimum 32.5 credits must be achieved by completing the following:

Student Services

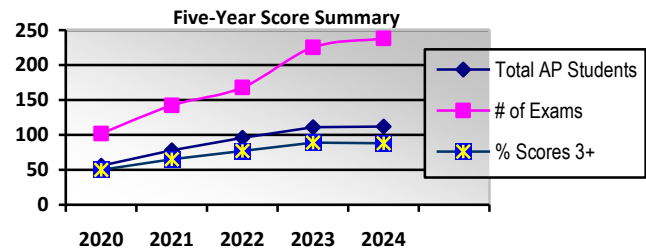

The **Campus Ministry** cares about students' holistic development, with spiritual growth as its primary objective. Therefore, students must show respect and cooperate with the faculty to reach their goals. The Campus Ministry's mission is to look after this critical aspect of student life.

The **Counseling and Guidance Program** is part of the total school program and complements learning in the classroom. It offers comprehensive, preventive, and developmental services addressing students' personal, social, academic, career, and global competencies necessary for their growth toward lifelong learning and success.

The **D.I.S. Library** provides students with the newest titles, a wide variety of reading materials, and access to online databases for academic research.

Advanced Placement

The A.P. Program started in 2004, offering only A.P. Calculus AB and A.P. U.S. History. D.I.S. currently offers 18 A.P. Courses.

English for Academic Purposes

D.I.S. offers an E.A.P. program for grades 9 and 10. This program supports students who enter D.I.S. with a need for English proficiency development. The E.A.P. course is student-centered and activity-oriented, offering students ample opportunities for listening, speaking, reading, and writing, with a sharper focus on enhancing academic language skills. Skills development is aimed at upgrading the student's English proficiency.

Extra-Curricular Activities

D.I.S. offers extracurricular activities as an extension of the regular school program. D.I.S. Athletics offers ten sports in which students can participate and compete on an international school level. There are 31 clubs for student participation. The MUN, GIN, and World Scholar's Cup organizations are very popular, and students perform well at international competitions and conferences yearly. Athletics also offers after-school soccer training for L.S., aside from M.S. and H.S.'s regular soccer training. MS/ HS students and teachers/coaches have friendly games in various sports; this serves as training and, at the same time, builds friendship and interpersonal relations among students and teachers. TEDxDominicanintschool holds annual conferences. The Student Council and Dominican Youth Movement (DYM) bridges the student body, school administration, faculty, and staff.

Service Learning Program

The Service Learning Program (S.L.P.) aims to contribute to the Dominican International School's mission of broadening and enriching the High School experience by enabling students to participate actively in the community. High school students aim to complete more than 100 service hours in their four years at D.I.S.
